

Sahi Re Sahi Marathi Natak Free 216

MY DAUGHTER HAS HAD ASTHMA SINCE BIRTH. WE COULD ALWAYS HEAR HER COUGHING AND WHEEZING. TO MAKE HER FEEL BETTER, WE WOULD PLACE A HOT WATER BAG ON HER CHEST. MY BABY GREW UP HUGGING THAT BAG TO SLEEP INSTEAD OF A TEDDY BEAR. IT WAS HEARTBREAKING. WHEN WE REALIZED THIS WASN'T GOING AWAY, WE WENT TO A DOCTOR WHO PRESCRIBED **INHALERS**, TO US. THE INHALER DIDN'T SCARE MY BABY, BUT IT DEFINITELY SCARED MY MOTHER. SHE KEPT SAYING MY DAUGHTER WOULD NEVER GROW TALL OR STRONG IF SHE USED INHALERS. "**DON'T** LISTEN TO DOCTORS, KEEP GIVING MEDICINES!", SHE SAID, BUT IT DIDN'T **AFFECT** MY WIFE WHO INSISTED THAT THE DOCTOR KNEW BEST. WHEN MY DAUGHTER LEARNED TO USE THE INHALER BY HERSELF, MY MOTHER SOMETIMES SNATCHED IT AWAY SAYING "THIS IS NOT **A CHILD'S** TOY TO PLAY WITH!" MY MOTHER PASSED AWAY WHEN MY DAUGHTER WAS 7 YEARS OLD, ALWAYS DISAPPOINTED THAT WE NEVER GAVE UP THE INHALER. TODAY, MY DAUGHTER IS 17 YEARS OLD AND IS TEASED FOR HER HEIGHT BECAUSE SHE IS TALLER THAN EVERY GIRL AROUND HER. I ONLY WISH MY MOTHER WERE ALIVE TO SEE MY DAUGHTER'S **GROWTH.**

There's what you fear, and there's the truth.
This #WorldAsthmaDay, ask a doctor.
